### Important:

Due to all schools having similar academic calendars, there are large numbers of residents moving into UC each day. Therefore, it is imperative for traffic flow, parking and staffing that residents move-in at their designated dates/times.

Move-ins taking place outside the provided schedule may result in a \$100 improper move-in charge.

Early move-in requests may be accommodated based on pre-approval from UC Management. Contact [info@universitycenter.com](mailto:info@universitycenter.com). There is a fee of \$75 per night until your regularly scheduled move-in date.
